Official Diary

Tuesday, 4 September 1951

25X1 Received a phone call from [redacted] from Manchester,
25X1 New Hampshire, inquiring if he had been rejected or whether CIA
25X1 could use his services. I thereupon phoned [redacted] of Personnel
25X1 and asked him to ascertain what offices might have an interest in
[redacted] experience. [redacted] to whom I returned the file, promised
25X1 to carry through on this with some expedition. I have undertaken to
call [redacted] when some decision has been reached.

25X1 General Davison called with an invitation for the DCI
to go duck shooting with him in Canada, beginning Monday, the 8th
of October through the 10th. I referred this to [redacted]
who promised to follow through.
